

FEBRUARY 2019

MOCO WARRIORS

Newsletter

Who are we?

The MOCO Warriors are an open group focused on welcoming and supporting new and existing members, whatever their stage on the cancer journey. The primary aim of the group is social support. We meet monthly at the Morgan County Library and welcome people affected by all cancers, including partners and caregivers.

When do we meet?

We will meet on February 28th at 6:30 in the community room at the Morgan County Library. If you cannot make it to the meeting we will have a newsletter produced every month highlighting the meeting. If you are need of transportation please contact the library at 573-378-5319.

Who attends?

At our first meeting, we had 10 attendees. One representative from the Morgan County Health Center, a collection of cancer warriors representing 7 different forms of cancer, and a few caregivers. At our meeting in February we will meet as a group then divide up into 2 groups; warriors and caregivers.

This book is a comprehensive how-to guide that helps cancer patients and their loved ones navigate the medical, emotional, relational, and spiritual challenges of cancer.

LLS's Co-Pay Assistance Program offers financial support toward the cost of insurance co-payments and/or insurance premium costs for prescription drugs. Patients must qualify both medically and financially for this program..

Next month we will be discussing issues with work when fighting cancer.
